

ÉCOLE DE PHYSIQUE  
des HOUCHES

## WATER AT INTERFACES: NEW DEVELOPMENTS IN PHYSICS, CHEMISTRY AND BIOLOGY

15 April – 26 April 2013

### PRACTICAL INFORMATION

The School will take place at the [Ecole de Physique des Houches](http://www.cea.fr/houches) in the French Alps at the foot of Mt. Blanc.

The registration package fee is 825 euros for the two weeks. This fee includes full accommodation costs (room + breakfasts + lunches + dinners + coffee breaks), starting Monday April 15th in the afternoon and ending Friday April 26th at noon. **Please note that the Ecole de Physique will open in the afternoon Monday April 15th (meaning that no lunch will be available at the Ecole de Physique on that day) and that all rooms will have to be vacated on April 26th in the morning (no accommodation on Friday night).**

Practical information about the Ecole de Physique des Houches can be found on the website of the School. All the participants will be accommodated at the Ecole de Physique, providing a unique working environment. Accompanying persons can also be accommodated on the centre. Please note that there are only 5 double rooms.

In order to organize your stay at **the Ecole de Physique Les Houches**, please fill out the registration file and return it to Marie-Claire Bellissent-Funel ([marie-claire.bellissent-funel@cea.fr](mailto:marie-claire.bellissent-funel@cea.fr))
